

Companion in Hygiene Solutions

## TECHNICAL INFORMATION SHEET

# 14W BIO SALAD WASH

### Product Description

Highly concentrated salad wash based on naturally occurring acids and plant based surfactants.

### Features and Benefits

- Breaks down bio film, removes all soil residues, pesticides and fertilisers.
- Free rinsing and non tainting.
- Chlorine free.
- Reduces water and energy usage costs.
- Prolongs the shelf life by improving hygiene conditions.
- No impact on the taste at use concentrations.
- Suitable for automatic dosing.
- Concentration levels easily measured by titration.
- For washing of fruit, vegetables, salad, herbs and other fresh produce.

### Use Instructions

1. Dilute 1:50 (2%) with water.
2. Immerse in the solution for a minimum of 5 minutes.
3. Rinsing with fresh water is advised before use.
4. Replenish solution after every five washes.

Note: Not classified as hazardous when diluted to recommended use dilution. The wash solution may be used for up to 8 hours.

### Safe Handling and Storage

See visual information to right.

Full guidance on the handling and safe use of the product can be obtained from the Safety Data Sheet.

Store in original container.

Avoid extremes of temperature.

### Technical Information

Appearance: Brown liquid

pH : <4.0

Relative density: 1.04

Odour: Characteristic

Solubility: Fully miscible in water

The above data is typical of normal production and should not be taken as a specification.

### Other Information

Based on a naturally derived L-Lactic acid. The active ingredients present reduce the surface tension of the wash liquid, allowing organic debris to be washed from the surface and pores.

### Available Pack Sizes

SKU	Pack Size
BD14W/C	2x5L

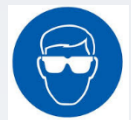

## Health & Safety

HAZARD AS SUPPLIED

Causes skin irritation. Causes serious eye damage.

HAZARD WHEN USED AT RECOMMENDED DILUTION.

Not classified. Wear gloves for prolonged use.
