## TECHNICAL INFORMATION SHEET

# 5K METALLISED FLOOR POLISH

### Product Description

A universal floor polish suitable for the majority of non-porous hard floors, e.g. vinyl, linoleum, terrazzo, thermoplastic, asphalt, sealed wood and concrete.

### Features and Benefits

- Provides extreme strength and durability.
- Produces a deep shine with excellent slip resistance.
- Non yellowing cross-linked polymer film – does not discolour even the lightest floor.
- Responds brilliantly to all spray burnishing techniques.
- Resistant to traffic marks.
- Produces a protective, wear resistant layer.

### Use Instructions

1. The product is ready to use; apply undiluted.
2. Polish must be applied to a clean grease free floor.
3. Strip old polish then rinse thoroughly with clean water.
4. Allow floor to dry.
5. Apply a thin even film of polish using a clean lint free mop or applicator.
6. When the first coat is dry (approximately 30 minutes) apply a second coat.
7. To enhance the gloss the floor may be buffed.

### Safe Handling and Storage

See visual information to right.

Full guidance on the handling and safe use of the product can be obtained from the Safety Data Sheet.

Store in original container.

Avoid extremes of temperature.

### Technical Information
