TECHNICAL INFORMATION SHEET

6G AIR FRESHENER

Product Description

Air Freshener is a very pleasant floral fragrance purple liquid which when sprayed into the air removes all objectionable and unwanted odours.

Features and Benefits

- Formulated for use by the professional housekeeper to mask objectionable odours.
- The product contains unique compounds which block out residue odours and allows only the long lasting fresh floral fragrance of Air Freshener to be noticed.
- Leaves a welcoming appeal to all new visitors.

Use Instructions

Air Freshener is supplied in a trigger spray bottle ready for use. Simply turn the nozzle to the on position and spray into the four corners of the room. Care should be taken not to let the fine mist produced accumulate on highly polished wood surfaces. Do not spray Air Freshener near naked flames.

Safe Handling and Storage

See visual information to right.
