TECHNICAL INFORMATION SHEET

6J CHEWING GUM REMOVER

Product Description

Fast acting chewing gum remover containing orange extract and mild solvents.

Features and Benefits

- Concentrated viscous citrus based gel.
- Suitable for use on carpets, fabrics and most surfaces.
- Safely and effectively removes chewing gum.
- Multi purpose product – suitable for use as a carpet stain remover for oil based stains such as grease, oils and tars.
- Supplied as a viscous gel to prevent damage to latex carpet backings.

Use Instructions

Standard method

1. Apply Chewing Gum Remover to the chewing gum and leave for 5 to 15 minutes.
2. To remove blot the surface with a white cloth or tissue.
3. Do not rub.
4. Repeat if necessary.
5. Blot or extract area with water.

Freezing method

1. Scrape away as much of the gum using a spatula or spoon (to protect carpet fibres).
2. Brush away loose pieces.
3. Rub the remaining gum with a plastic bag filled with ice until the gum is frozen.
4. Chip away the frozen gum fragments using a spatula or spoon.
5. Dissolve any final traces dabbing with chewing gum remover.
6. Rinse thoroughly.

Always pre-test surface to be treated in an inconspicuous area before proceeding.
Do not over apply.
